5.	Talked to Ben Mandel, of the Senate
Internal Security Se	beammittee staff, about the case of
an applicant for a p	esition with the Agency. Mandel is aware of the
fact that	is a fermer Communist Party member and
imes are supplied the	cle are still active party members. I advised
	ple had taken another look at but we
being considered as	diffed applicants for the position for which he was
to also his emiliant	d in view of his background we would be unable on further consideration. I mentioned the fact
that the Assessment	actually trying to cut down on the number of its
paragonal and was	loing little hiring. Mandel made no comment on
this information but	appeared to accept our decision.
The second secon	Allendan an analysis was manyands
